

Getting Started Questionnaire

1. Who will be using the outdoor space? Ages of kids?
2. What problems are you currently experiencing with your yard?
3. What activities do you want to be able to do outside?
4. Are you planning an outdoor cooking area or family eating area? Grill?
5. Do you want to entertain outside? How many people around the table?
6. Do you have pets? Small children? Do you need fencing?
7. Do you want a pool, hot tub, sport court, swingset, or other specific outdoor play feature?
8. Do you want a water feature, like a pond, a recirculating waterfall? The sound of water?
9. Are you interested in growing food?
10. Is privacy important? Where do you need it?
11. Do you want to attract birds?
12. What style of garden appeals to you? For example, cottage garden, Japanese garden, formal or country style layouts? Please find 5-7 photos of gardens or outdoor vignettes that appeal to you so we can add your visual cues to our design planning.

13. What is your time frame to live in the house and for the work to be completed?

14. What is your budget?
